About AGROTECH 2026

AgroTech 2026, the **25th edition** of India's premier agriculture and agribusiness event, is a flagship platform for innovation, investment, business collaboration, marketing, technology adoption and sustainable agricultural growth.

Organised by the Indian Chamber of Food and Agriculture (ICFA), the **25th AgroTech 2026** brings together policymakers, industry, agribusinesses, technology providers, innovators, investors, development agencies, FPOs and progressive farmers on one platform.

Scheduled from **12–14 November 2026** in Lucknow, the capital city of Uttar Pradesh, India's largest agricultural state and home to over 250 million people, AgroTech 2026 will bring together key stakeholders to showcase innovations and advancements in:

- ✓ Farm Mechanization and Smart Agriculture
- ✓ Digital Agriculture and AI Solutions
- ✓ Agri-inputs and Farm Technologies
- ✓ Climate-Smart and Precision Farming
- ✓ Food Processing and Horticulture
- ✓ Dairy, Poultry, Fisheries and Animal Health
- ✓ Agri-Fintech and Rural Enterprises
- ✓ Sustainable Agriculture and Value Chains

As India's largest agricultural state, Uttar Pradesh offers immense opportunities for agribusiness growth, investment and technology-led transformation, AgroTech 2026 will enable:

MESSAGE

I am happy to know that the Centre for Agriculture & Rural Development in association with Government of Uttar Pradesh and the Associated Chambers of Commerce and Industry of India has taken the initiative to organize Agri Expo 2002 from 15th to 18th January, 2002 in Lucknow.

The Agri Expo is an important platform offering opportunities for the participants to showcase products, services and technologies to potential buyers and users. I am certain that the Seminars being organized simultaneously during this Expo on agriculture subjects will provide opportunities to exchange ideas for mutual benefits.

I wish Agri Expo 2002 a success.

MESSAGE

I am happy to know that Centre for Agriculture and Rural Development in association with the Government of Uttar Pradesh and ASSOCHAM is organizing Agri Expo 2002 from January 15th to January 18th, 2002. This is an appropriate time for AgriExpo as Indian Agriculture is to compete with World Agriculture. Bringing together Government agencies, public and private sector, agri-business, private entrepreneurs, technologists and farmers to share the available technology and scientific information and dissemination of agricultural technology will help them to decide the best technological option available to them. The Seminar on important subjects being organized concurrently will provide additional opportunities to the participants to share their experiences and knowledge for mutual benefit. Indian agriculture is moving towards a joint endeavour of public and private sectors for technology generation, its dissemination and service provider. (AgriExpo will enable the stakeholders to play a complementary role in enhancing the production and productivity.)

The event would also offer a great marketing opportunity for the participants to showcase products, services and technologies to potential buyers and users and establish contacts with the Government agencies and prospective investors, identify business opportunities and forge strategic alliances with agri-business companies.

I wish Agri-Expo 2002 all the success.

MESSAGE

I am very happy to know that the Centre for Agriculture and Rural Development, ASSOCHAM and the Government of Uttar Pradesh are jointly organising **AGRI-EXPO - 2002** on January 15-18, 2002 at Lucknow. Uttar Pradesh has always significantly contributed to the India's growth and development and therefore, organising the Agri-Expo in its capital is just appropriate. Besides facilitating dissemination of knowledge about products, technologies and Government schemes, the Agri-Expo will provide a platform for mutually benefiting interactions between researchers and the end users of research output. I am more happy to know that the Agri-Expo is planned to provide a unique opportunity for the agri-business companies to exhibit their products and directly communicate to a large number of potential customers, government officials and business associates, and at the same time, exposure to farmers about latest agri-input products, new technologies, farming practices, government schemes and scientific knowledge, which would help them raise agricultural productivity and improve produce quality through adoption of modern farming practices. Six concurrent seminars on the recent topics of relevance in view of globalization of agriculture would also be organized.

I like to congratulate the organisers of the Agri-Expo for the initiative and wish the event a grand success.

संदेश

मुझे जानकर हर्ष हो रहा है कि सेंटर फॉर एग्रीकल्चर एवं रूरल डेवलपमेंट द्वारा उद्यान एवं खादय प्रसंस्करण विभाग के सहयोग से 26 जून 2019 को उद्यान भवन प्रेक्षागृह, साधू मार्ग, लखनऊ में एक दिवसीय संगोष्ठी का आयोजन किया जा रहा है।

उत्तर प्रदेश मसाला खपत के मामले में एक बड़ा बाजार है तथा इस उद्योग हेतु प्रदेश में सुनहरे अवसर मौजूद हैं जिनको बढ़ावा देने की जरूरत है।

मुझे विश्वास है कि इस क्षेत्र में निवेश, स्वरोजगार, लघु एवं कुटीर उद्योगों को बढ़ावा मिलने की अपार संभावनाएं हैं, सरकार किसानों की आय दोगुनी करने हेतु प्रतिबद्ध। यह संगोष्ठी किसानों की आय दोगुनी करने एवं प्रदेश में निवेश के लिए एक बड़ा अवसर प्रदान करेगी।

उक्त संगोष्ठी के सफल आयोजन की कामना करता हूँ।

आपका,

(केशव प्रसाद मोर्य)
